

Additional In-Class Science Workshops

Energy from Wind and Moving Water (Grade 2 Energy & Control)

Magnets (Grade 3 Matter & Materials)

Light & Sound (Grade 4 Matter & Materials)

Weather (Grade 5 Earth & Space Systems)

Motion (Grade 6 Structures & Mechanisms)

The Earth's Crust (Grade 7 Earth & Space Systems)

Optics (Grade 8 Energy & Control)

Wacky Science (A fun introduction to get students excited about science!)

The Scientific Method (A fun introduction to get students excited about science!)
